Supported Independent Living: Mowbray

Richmond Futures is a leading NDIS provider of psychosocial disability support in Tasmania. We will support you to reach your goals and support your dream for your own home in the community.

We currently have vacancies at our Mowbray site which is undergoing extensive renovation work. These newly renovated units will be available from July 2021.

About

Featuring eight one-bedroom individual units, Richmond Futures Mowbray is perfect for those who need access to on-site supports (including transport), but wish to live in their own unit. Units offer a bedroom (with built in wardrobe) large enough for a double bed, open plan kitchen, dining and living area, and bathroom. Our site offers shared laundry facilities including washer and dryer, and is staffed 24 hours a day, 7 days a week (with sleepover shift). A vehicle is available for our team to support participants with transport.

Mowbray Marketplace Shopping Centre is a 15 minute walk from the units and just a few minutes drive away. A Metro bus stop is located nearby, with buses running regularly to the city and other locations. Smoking is not permitted indoors. Pets are not permitted.

If you would like to meet with us and talk about what your home here might be like, please contact us.
