## Supported Independent Living: Glenorchy

Richmond Futures is a leading NDIS provider of psychosocial disability support in Tasmania. We will support you to reach your goals and support your dream for your own home in the community.

### About

Kuntana Liprini (Grounding Place) in Glenorchy offers individual two bedroom units clustered on one site. Units would suit NDIS participants with a standard or high level of Supported Independent Living needs and the desire for a higher level of privacy and independent living, while having full access to on site 24 hour per day, seven days per week support.

Each unit offers two bedrooms with built in robes and open plan living and dining, a small low maintenance yard and carport. Each unit is complete with full bathroom and laundry facilities. Set in a quiet area, surrounded by a bush setting, Kuntana Liprini would suit participants with psychosocial disability, seeking 24/7 support within the privacy of their own tenancy.

Units are in walking distance to the Glenorchy shopping district and public transport, with a Metro bus stop right on the doorstep.

If you would like to meet with us and talk about your home and living needs, please contact us.
