## liprini nayri – Launceston

Our liprini nayri (Place of Wellness) property is comprised of a collective of seven one-bedroom units that have on-site support. Two units are ground floor accessible and the five additional units are spaced over two floors. All include open plan living, dining and kitchen, double bedroom with built-in wardrobes and a bathroom. There is a shared laundry on the ground floor and off street parking is available.

Richmond Futures will work with NDIS participants to develop supports to cater for their individual needs.

A vehicle is available for our team to support participants with their transport needs.

Smoking is not permitted indoors. Pets are not permitted.
